**Great work! Thank you for helping Hero Bear, RAF Bear and Navy Bear complete their activities.**

**About Help for Heroes**

We help members of the Armed Forces community live well after service. Our teams support veterans and their families who are in pain or facing mental health difficulties. We help people get back on their feet if they're struggling to find somewhere to live or are having financial difficulties. Through our sporting and social activities, we tackle loneliness and isolation. Thanks to your support we've helped more than 28,500 people. We won't stop until every veteran and family member gets the help they need.
