

YOU CAN HELP

Show your support for those who put their lives on the line for us. The money you raise and the time you give helps to give our nation's Heroes one less battle to fight.

CORPORATE SUPPORT

Our corporate partners help us to raise vital funds and awareness – through corporate donations, brand licensing and product partnerships, employee engagement, pro bono support and sponsorship, as well as delivering fundraising through staff and customers.

We offer bespoke partnership opportunities which can transform the way that a business is seen by both employees and the public whilst transforming lives at the same time.

We would like to work with more companies in these ways. If you are interested in supporting Help for Heroes' work through your business, please don't hesitate to get in touch by contacting our Corporate Partnerships team at partnerships.team@helpforheroes.org.uk.

CHARITABLE TRUSTS AND FOUNDATIONS

If you are a Trustee or settlor for, or are able to make an introduction to, a charitable trust, foundation, Livery Company or other grant-making body (including statutory) and would like to explore an idea or opportunity, please get in touch by contacting **Holly Gould** on **0207 337 9821** or holly.gould@helpforheroes.org.uk.

We understand how important your contribution is. We will keep you updated on the impact of your support and we can work side-by-side with you or your Trustees to provide reports, sharing the stories of those whose lives you have changed and ensure that your funding needs are met.

FUNDRAISING EVENTS AND CHALLENGES

Some supporters help our Heroes by arranging their own events to raise funds; others tackle physical challenges or support activities like Bake for Heroes. Whether you're hosting a ball, golf day or auction, or joining our annual Big Battlefield Bike Ride, whatever you do you'll be part of The Force for Good and your efforts will change lives. Call our Events Team on **0300 303 9888** to find out more about how you can give your support.

GIVE IN MEMORY

Donating in memory of a friend or relative is a wonderful way to celebrate their life. If you would like to pay tribute to a loved one in this way, please know that we are deeply honoured and humbled to be thought of. Our Supporter Care Team can support you throughout this process on **0300 303 9888**.

LEGACIES

Gifts in wills are one of our most important sources of income and can make a transformational difference to our ability to support those who deserve a fair deal. Legacy gifts to charity are exempt from Inheritance Tax in the UK and the government provides further incentives to those who leave 10% or more of their net estate to charity. To speak to our **Legacies Manager**, please contact legacies@helpforheroes.org.uk.

VOLUNTEER

Our army of Volunteers are the beating heart of our organisation, working tirelessly to help fundraise in their communities and at national collections, giving up time and energy to help us give our Heroes a fair deal. Whatever you choose to do and no matter how much time you have, we're truly grateful for your support. Please contact volunteer@helpforheroes.org.uk to register your interest.
